## Exclusively at *Hudson News*

Hudson has built an industry-leading travel retail business on a simple idea: delivering exactly what customers want and need. We continually update our product selection to meet changing demand. The result is the very best merchandise, in every category.

To differentiate the award-winning Hudson News concept from all others, we offer premium brands like:

- **Blackberry** electronics
- **flexplay** time-sensitive DVDs
- **Foster Grant** Platinum Collection sunglasses
- **Godiva** single serve chocolates
- **iGo** chargers and accessories
- **Papyrus** cards and fine writing papers
- **Samsonite** luggage and travel basics

All are available in airport newsstands **exclusively** at Hudson News.

*For information on how to bring this exciting concept to your airport, contact:
